Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners**SM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of the American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed above on this form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the foregoing representation and Agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.

Best Practices – Agility Trials

Below is a list of Best Practices for the RRNDOC AKC Agility Trial to comply with the CDC and AKC Guidelines. We are committed to providing a safe environment for our exhibitors, workers, and judges. With that, below are some guidelines we will be following.

Building Limits: To comply with the State of ND, the maximum capacity of the building is **70** people. We will be counting throughout the day to make sure we are in compliant. If we reach our limit, it will be a one-in-one-out situation. Please make sure to socially distant from one another.

Crating: Limited crating will be available inside the building.

Trial Logistics

Masks/Face Coverings: The CDC recommends that masks are worn when in close proximity to others. Please be sure to adhere to CDC recommendations in order to make the trial as safe as possible. In addition, volunteers will be required to wear a mask while working.

Exhibitors will have the option of removing their mask/face covering during their run(s). The exhibitor can remove their mask/face put on their mask/face covering prior to leaving the ring. Mask/face coverings must be worn at all time while in the building. Face Shields: For the safety of others, face shields with a open bottom design and not worn with a mask, need to have the open area modified with something that catches droplets. It can be as simple as a bandana taped to the shield bottom edge and tied back around neck.

Check-In: The Agility Gate App will be used at this trial. The app is available to download for both iOS and Android. We will be using this app and it will be projected on a TV by the gate entrance. You will still be able to check in if you do not have your own device, but it is highly recommended to use your device to reduce crowding by the gate.

Posting/Results Sheet: Results will be posted online at the Xtreme K9 website.

Course Maps: Course maps will be posted in the lobby area, emailed to the exhibitors the night before, as well as posted on the Xtreme K9 website. Please plan on taking pictures of the maps. If you cannot take a picture of the maps, a limited supply of paper maps will be available.

Entry/Exit Gates: When lining up to go into the ring for your run, please social distance between exhibitors.

Walk-Throughs: To be determined based on entries at time of closing. Decisions will be made to provide enough social distance on course between exhibitors. Per AKC's suggestions, walk-thoughts will be limited to a maximum of 25 exhibitors.

Running/Walk-Through Times: After closing, a timeline will be put together for the trial. Walk-Through times are estimates. Updates will be sent out during the day to update exhibitors on where we are at. **Leashes:** There are two options:

Option 1: The Leash Runner will use a "grabber" to move your leash to the end of the course. Your leash will be placed on the ground. The "grabber" will be wiped down each time it's used.

Option 2: You can place your leash in your pocket, around your neck, or around your waist per AKC.
If the dog grabs the leash while running, this will be scored as an "E".

The next dog will not enter the ring until the previous dog is leashed up.

Briefing: General briefing will occur in the ring. A PA system will be used (if needed) to deliver the briefing. Please gather, using proper social distancing, outside and inside the ring.

Ribbons/Awards: Ribbons will be placed on a table. Please use the provided hand sanitizer prior to touching the ribbons.

Communication: During the trial, we understand that people will be spread out and not know what is happening by the ring. After the trial closes, confirmed exhibitors will receive information via email on how to "opt-in" for updates throughout the trial via mass text messaging. A Facebook live feed will also be accessible during this trial. Instructions will be sent out to confirmed exhibitors.

As mandates are changing so rapidly, the RRNDOC reserves the right to make alterations to the guidelines stated above to better/improve the trial.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.
