CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

All exhibitors should obtain a copy of the Regulations for Agility Trials by contacting the American Kennel Club, 8051 Arco Corporate Drive, Suite 100, Raleigh, NC 27617-3390, by phone (919) 233-9767, by email at info@akc.org, or on their website at www.akc.org.

VOLUNTEER WORKERS

Your help is greatly appreciated!

A copy of the worker schedule will be posted at the trial for exhibitors to sign up and work. **Lou Ann Honek** will be rounding up the troops, please feel free to ask her questions, lacharlevoix@gmail.com, and she will get you where you are needed most!

BEST PRACTICES—Agility Trials

Below is a list of Best Practices for the FM Kennel Club Agility Trial to comply with the CDC and AKC Guidelines. We are committed to providing a safe environment for our exhibitors, workers, and judges!

Crating: Will be available inside the building, social distancing is strongly recommended.

Family groups can crate together either inside or outside. Outdoor crating is available and encouraged. You may setup a pop-up tent if desired or kennel out of your car. There are grassy areas in the back for setup and for exercising dogs.

Building Access: The Main Entrance of the Expo Building (East side) will have dedicated entrance and exit doors. Please follow the signs when you arrive.

Masks/Face Coverings: The FMKC will follow current CDC and State guidance regarding COVID-19 on the days of the trial. Additional guidance will be provided in the Judge schedule.

Check-In: The gate sheets will be posted but only the gate steward may check in your dog. Please practice social distancing when checking in your dog(s) for their run(s). Agility Gate will be used.

Posting Results: Results will be posted on the East wall.

Course Maps: Maps will be posted on the East and emailed to exhibitors once available from the Judge.

Walk-Throughs: Decisions will be made to provide enough social distance on course between exhibitors; limited to a maximum of 25 exhibitors/walk-through.

Leashes: There are two options:

Option 1: Leash runner will use a "grabber" to move your leash to the ground by the exit gate.

Option 2: Exhibitor can place the leash in your pocket, around your neck, or around your waist.

NOTE: if the dog grabs the leash while running this will be scored as an "E".

Briefing: General briefing will be provided each day. Delivery will be determined by the judge.

Ribbons/Awards: Ribbons are no longer self-service. They will be prepared and placed on a designated table.

Communication: During the trial, we understand that people will be spread out and not know what is happening by the ring. After the trial closes, confirmed exhibitors will receive information on how updates will be communicated.

Instructions

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or **back-to-back trials** only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
