

## Fargo-Moorhead Kennel Club Presents:

### Scentwork Clinic with Holly Bushard

February 28 – March 1, 2026

1881 Sheyenne Loop N, Ste B • Fargo, ND 58102

Holly is a lifelong student of dogs. From the very beginning, she spent every moment she could with every dog she could find. Her childhood adventures were a goldmine of experiential learning, resulting in a magical blend of cherished memories and moments of harsh education. Her parents refused to allow a dog in their home, so Holly trained rats and horses and dreamed of the day that she could have a dog of her own. When she turned 18, she took in an 8 year old dog who had spent much of her life alone in a kennel. The magic began!

Since then, Holly has fostered over 50 dogs, worked several years in an animal shelter, and handled narcotics detections dogs as a police officer. For the past 15 years, she has been a full time dog trainer, coach, and NACSW and AKC judge. In addition to nose work and scentwork, Holly competes in rally, obedience, and agility and dabbles in many other dog sports. Holly's passion is building well-rounded teams and assisting in creating effective and authentic communication between human and canine partners. While the scenting sports fill the bulk of Holly's time, she prioritizes the "whole picture" of the 24/7 relationships between handlers and their dogs.

Holly specializes in breaking down skills into their smallest parts, allowing teams to concentrate their focus on areas that need the most attention. Creating impactful exercises that can be practiced in smaller spaces and at home allows teams to continue to play and grow in the sport even when time and weather present challenges. Preserving the playful spirit and wonder of the magic of our dogs amazing olfactory talents even while practicing component parts is Holly's top priority.
